

## MCX Straight PCB Jack 50ohm - RHT-617-1004

### Drawing

**Basic Information**

|                  |              |
|------------------|--------------|
| Connector Type   | Jack         |
| Fastening Type   | Push-in      |
| Mounting Feature | Through Hole |
| Mounting Type    | PCB Mount    |
| Number of Ports  | 1            |
| Orientation      | Straight     |
| Contact Type     | Female Pin   |

**Mechanical Specification**

|             |        |
|-------------|--------|
| Termination | Solder |
|-------------|--------|

**Material and Finish**

|                       |          |             |
|-----------------------|----------|-------------|
| Component Description | Material | Finish      |
| Insulator             | Teflon   |             |
| Shell                 | Brass    | Gold Plated |
| Center Contact        | Phosphor | Gold Plated |

**Impedance Testing**

|           |        |
|-----------|--------|
| Impedance | 50 ohm |
|-----------|--------|

**Version History**

| REV | Date      | Revise Contents         | Drafter | Approver |
|-----|-----------|-------------------------|---------|----------|
| A.0 | 2026.7.10 | The initial formulation | Esther  | Joson    |

**Disclaimer**

The information in this specification is subject to change without notice. Please confirm the latest version before use. Technical parameters are for reference only, and sufficient testing and verification should be conducted in actual applications.
